

TRAINING FOR PARENTS

ASSISTIVE TECHNOLOGY FOR READING

JANUARY 31, 2018 6:00 PM – 8:00 PM

Registration 5:30 pm with Meal Provided

Reading is an integral part of a student's school day. Unfortunately, many of our children struggle with reading. Technology can be a powerful tool for those that find reading challenging. This presentation will review a continuum of low to high technology tools to support reading, including some free tools. In addition, participants will be introduced to the SETT model when gathering information for technology selection.

Participants will be able to list low and high technology tools to support reading.

Participants will be able to use the SETT model to gather information.

Training will be held in the Computer Lab

FOUR RIVERS SPECIAL EDUCATION
